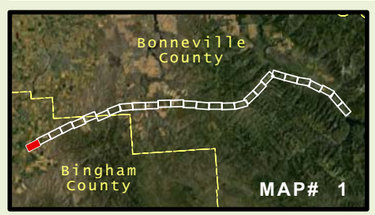
DOE/BP-3880 April 2008

Palisades-Goshen Transmission Line Reconstruction Project



- Existing BPA Transmission Structure
- Existing BPA Transmission Line
- Existing BPA Transmission Line to be removed
- Existing BPA Right-of-Way
- Co-Owned Substation
- Relocated BPA Transmission Structure
- New BPA Transmission Structure
- Relocated Palisades-Goshen & Palisades-Swan Valley lines
- Access Road Route of Travel
- Access Road Reconstruction
- New Access Road Construction
- Culvert
- County Boundary
- FEMA 100 & 500 Year Floodplain Zones
- NWI Wetlands
- Aquatic Influence Zones

Land Ownership

- USFS Caribou-Targhee NF
- Bureau of Land Management
- Bureau of Reclamation
- Existing BOR Distribution Structure
- Existing BOR Distribution Line
- Existing BOR Distribution Structure to be removed
- New BOR Relocated Distribution Structure

This product was made for informational and display purposes only and was created with best available data at time of production. It does not represent any legal information or boundaries.
